## About the SIREUS Affiliation of Companies:

### What we do:

The SIREUS Affiliation of Companies is a strategic network of companies that are interested in participating and collaborating in high-end research collaborations and offering internships to Swedish students and researchers.

### Our aim:

The aim of the SIREUS Affiliation of Companies program is to build strategic industry partnerships between academia and industry within the advanced research landscape and foster increased talent mobility between Sweden and the U.S.

*Increased talent mobility and knowledge exchange between Sweden and the U.S.*

## What you gain from being part of SIREUS:

Access to relevant research

Become an attractive employer for young professionals

Opportunity for joint research projects & resources

Foster innovation, entrepreneurship, new ideas & research

Exposure to cultural exchange of knowledge, ideas, and best practices

*Increased talent mobility and knowledge exchange between Sweden and the U.S.*

## What we ask of you

You should be willing and able to:

- Explore possibilities of internships and research exchange.
- Potentially host a workshop for Swedish universities exploring mutual beneficial opportunities.
- Explore possibilities of exchange of research management best practices and foster lessons learned.

- Give lectures at universities about applied research and gained experiences in research projects.
- Be engaged in and supportive of the overall SIREUS project objectives.

*Increased talent mobility and knowledge exchange between Sweden and the U.S.*
