Increased talent mobility and knowledge exchange between Sweden and the U.S.

# University of Gothenburg

## Individual plan

Here, you can find your university's individual plan in the SIREUS project. This includes which areas of the U.S. you want to establish contact with, what thematic areas you want to find collaborations within and what you wish to achieve with your membership in the project.

**What American universities/regions does your university want to focus on?**

*Increased talent mobility and knowledge exchange between Sweden and the U.S.*

## **How does your university want to work with innovation?**

Regarding innovation, the University of Gothenburg desires enhanced connectivity with universities such as MIT, Harvard, Stanford, UC Berkeley, or within the geographical regions of California, Massachusetts, and the Carolinas. This collaboration is sought within thematic areas aligning with the offerings of the University of Gothenburg and corresponding to its expertise.

## **What else do you wish to achieve with the SIREUS project?**

Additionally, the University of Gothenburg seeks to establish increased connections with the business sector, particularly in relation to internship opportunities for exchange students and University of Gothenburg students, facilitated through our membership in SIREUS.

*Increased talent mobility and knowledge exchange between Sweden and the U.S.*
